Subject: Chickasaw Park - Sunday Cruising

Mr. Watkins: I am writing in response to our conversation yesterday where we discussed Sunday Cruising in Chickasaw Park. Specifically you mentioned that you are willing to fund the costs for some overtime for this problem. In our discussion you asked that this overtime be used for the purpose of traffic control inside Chickasaw Park during problematic times.

In order to fund this initiative for the next eight weeks it would require approximately twelve (12) hours of overtime for each Sunday. This would cover the expenses of two of our officers for traffic control inside Chickasaw Park for six (6) hours each. We would continue to use on-duty personnel for traffic control outside the park during times of congestion. In speaking with the supervisors in the 2nd Division it is recommend this overtime be utilized between the hours of 3 pm and 9 pm on Sundays. To fund this initiative for the next eight weeks we estimate it would require approximately ninety-six (96) hours of overtime. An average overtime hour for our personnel is approximately forty-five (\$45) dollars for a total overtime cost of approximately \$4320.

As soon as we hear that this proposal is acceptable from you we will put this practice in place.

I want to thank you for your additional assistance in helping with this neighborhood problem.
